

Scholarship Application Form

Dear Family,

Wenatchee Christian Homeschool Co-Op is a community oriented co-op geared towards enabling families to gather in a setting that is both educational and enriching. We make every effort to ensure families who need financial assistance receive it. There is a budgeted amount of funds for each session. The Board will review all applications and distribute funds as possible. These funds will cover the membership fee only, all class fees will still apply. The scholarship will not cover any past due balances from previous sessions. All families who apply for financial aid agree to make every effort to attend for the session your family receives financial aid. Barring illness or serious injury, you must be on-time and prepared for class each Monday. All recipients must also read and acknowledge understanding of the WCHC Handbook. Any information collected for the purposes of financial aid is confidential. By filling out and turning in this form you agree to the above requirements.
